

Here's What Your Neighborhood Associations are Doing!

文化・レクリエーション

Cultural and Recreational Activities

Neighborhood Associations organize activities for everyone like sports and cultural festivals, in order to promote friendship amongst local residents.

ゴミステーション管理

Rubbish Station Management

Neighborhood Associations ask cities to set up rubbish disposal stations and organize rotas for local residents to keep them clean.

子ども会・老人会

Activities of Civic Associations

Neighborhood Associations work hard to cultivate and support groups for all communities, such as children's associations, senior citizens' clubs, youth clubs, and women's associations.

防犯対策

Crime Prevention Measures

Neighborhood Associations install and maintain anti-crime lights so that local residents can walk around at night safely.

防災訓練

Disaster Training

Neighborhood Associations conduct disaster drills and stockpile supplies in preparation for natural disasters.

環境美化

Environmental Beautification

Neighborhood Associations work hard to beautify the environment through cleaning activities for local roads and parks.

防災・互助活動

Disaster Countermeasures

Neighborhood Associations play a major role in teaching self-preparedness in the event of a natural disaster.

資源ゴミ回収

Recycling

Neighborhood Associations recycle non-renewable resources such as cans, newspapers, and bottles which they collect from all households.
